INSTRUCTIONS:

Use the STARBURST Die Cut page and the background for this layout.

Behind the cut outs place a number of coordinating pieces of paper from the collection.

along a couple of the edges of the cutouts run a couple of random strips from the sticker sheet.

Matte a photograph using COSMIC (navy) and adhere towards the bottom right corner with a couple of collectables tucked under the top left edge and a portion of the flower cluster from the sticker sheet underneath the bottom edge.

Fussy cut some flowers from ORBIT and adhere to the bottom left corner and one to the right edge of the photograph.

Complete your layout by layering a couple quotes from sticker sheet and a few collectables in other places as desired.
